Subject: Conditional Approval of SUFCO Mine, C/041/0002, Midterm Review, Task ID #3464

Dear Mr. May:

On June 1, 2010, the Division received the deficiency response required to complete the midterm review. The submittal included MRP updates, such as text changes and updated maps. The midterm review is conditionally approved upon receipt of 8 clean copies prepared for incorporation. Please submit these copies by July 21, 2010. Once we receive these copies, final approval will be granted and the midterm review will be completed.

A stamped incorporated copy of the approved plans will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan. This modification will necessitate an update to the Technical Analysis.

If you have any questions, please call me at (801) 538-5262 or April Abate at (801) 538-5214.

Sincerely,

James D. Smith
Permit Supervisor
